Help For Hire – Referrals (only names & telephone numbers of the workers) are given to the senior/caregiver requesting help. Names of workers residing the closest to the senior are given out first. It is the responsibility of the senior/caregiver to make the telephone contact, and the responsibility of the worker to respond to the call. If you wish to be removed from our Help for Hire Program, please let us know by calling 586-469-6317 or 586-469-6327. Return this completed form to the above address.
